Daydream Assignment Peer Review

On a separate sheet of paper, please write comments on the paper you are peer reviewing using the following guiding questions and instructions. Attach your comments to this sheet and give it to the writer.

Is the story enjoyable to read? Considering the story as a whole, note any parts that seemed awkward or hard to follow and suggest how they could be improved. Note any parts that you particularly liked and explain why you liked them.

Are there two distinct daydreams? If not, point this out to the writer.

Is there a frame narrative connecting the daydreams? If not, point this out to the writer.

Is it clear where the daydreams begin and end? If not, point this out to the writer.

Though you do not need to thoroughly proofread the paper for spelling, grammar, formatting, and punctuation, note any of these type of errors that caught your eye.
